

TANDEM AXLE WATER TENDER

ROFF FIRE DEPARTMENT

Boise Mobile Equipment's Tandem Axle Tender is the solution to your water delivery challenges. Tank options include stainless steel or poly with capacities up to 4,000 gallons for high water delivery. Pump configurations range from 250 GPM to 2,250 GPM, enabling responders to make the most of their tender, whether using it for tactical purposes or delivering water.

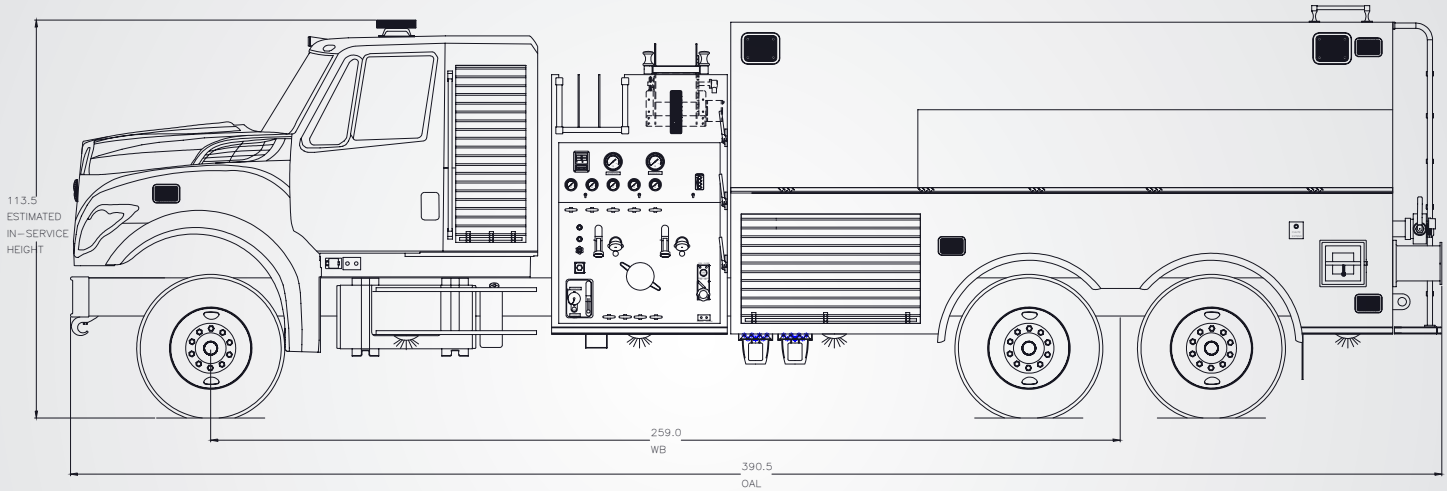

WILLING TO DO WHAT OTHERS WON'T. ABLE TO DO WHAT OTHERS CAN'T.
